

DCM MONTHLY UPDATE:

Hello everyone,

Unfortunately we did not achieve Quorum at our last district meeting so according to our Operating Procedures, we could not conduct any District Business. Being summertime, I understand many of us will be taking vacation, but I would like to remind everyone that if you are unable to attend the meeting, it is your responsibility to insure your Alternate GSR or another group member attend.

We have some business we need to discuss and resolve at our next district meeting on August 30.

We have two notice of Motions we need to deal with:

- 1) To return to in person District meeting only
- 2) To contribute funds to Area and GSO

Also, as you know our PIC chair position is vacant. Please bring this up at your group business meeting and hopefully can have an election to fill this vacancy. The job description for this positions was sent out with the minutes

There are also two Notice of Motions we will be discussing and voting on when I attend the next Area Committee meeting in September:

First is the Digital Resources Implementation report and the suggested spending, second is to Rotate the Location of Area Assemblies. Please discuss with your group and I will be looking for feedback at our August District meeting so I can bring our vote to the September ACM.

Two events are occurring in our district in the near future, on August 26, Kingston is hosting the SOAAR 2023 round up at the Spire, and on Sept 24 the District 34/36 Conference will be at the Napanee Lions Hall.

Just a reminder the pocket planner/wall calendar orders are due by Sept 16 ACM. I can bring the orders with me.

To help Amanda keep the Website up to date with Celebrations, please bring the next two months of celebrations to the district meetings.

Any questions, please do not hesitate to contact me.

Yours in Love and Service,

Rick K
