

DCM MONTHLY UPDATE:

Hello everyone,

The next GSR sharing session is July 16, 8pm on zoom, the flyer is attached. This session's topic is *'Elections and the Spirit of Rotation'*.

Please don't forget to take a few minutes and fill out the survey in preparation for the Area inventory. Please share the link with your group members and encourage them also to take the time to complete this by the last week in October. During the Service Information Day on November 2, there will be discussion sessions where members will be able to share their experience and thoughts about Area 83:

The minutes for the last Area Committee meeting held on June 8, 2024, are attached. Please take time to read through and take special note of the New Business as there were motions passed for some suggested spending. These motions will be brought to the Fall assembly for discussion and approval. The report from the Ad Hoc committee for the Assembly Location and Website Content are included in detail and will also be on the agenda for the Fall Assembly so I encourage you to familiarize yourself with these reports as well. Please feel free to reach out to me with any questions or feedback.

The Fall assembly meeting on November 3, 2024, will have the Election of Officers for Panel 75. Since our Assemblies are now Hybrid, Bill C our Area 83 Chairperson is looking at using the online Poll capabilities when we are voting. By doing so we may be able to speed up this process. Take a look at the attached document and complete the very short two question survey.

The Area 83 Glide App has a fairly new section added, AA Road Trip Ideas. Here you will find upcoming round up posters for quick reference. If you have not checked out this App, I hope you do as it is a handy 'quick' reference tool for Area 83.

The Annual Archives workshop will be held on July 27 in Peterborough. This is a Hybrid event so if you are interested and unable to attend in person you can also Zoom in. Please see attached flyer for more information.

Following the positive response at our last District meeting, I have put together an Ad Hoc Committee to bring an afternoon of introductory workshops of the service opportunities in our District. The committee members are: Justin P (chair), Bruce D, Tanya V, Jillian H, Amanda G, and myself. The date for this event will be October 5, 2024. There will be an interim report at our July 31 district meeting. In the meantime, please post the 'SAVE THE DATE' attached poster and let our members know about this day. If you have any questions please feel free to contact Justin or any of the other members of this committee.

As always, I am happy to assist with any questions or help find more information on anything you or any of our members may have, so please do not hesitate to contact me.

Yours in Love and Service,

Rick K
